MATERIALS

- Karen Foster Design Sassy Micro Paper Bundle (360710)
- Purple and black cardstock
- Blue & purple Prima Mini Me large and small flowers
- Prima Bitty Bag
- Making Memories Childhood mini circle brads
- QuicKutz Katie Skinni Mini alphabet dies
- 1mm-thick foam pads

TO CREATE

- 1 Use the purple cardstock to make a card blank measuring 10x15cm.
- 2 Take the sheet of paper with the four coloured squares from the paper bundle, and match each of the colours with three or four layers of flowers. Attach the flowers to the paper using matching brads.
- 3 Cut three 1cm-wide strips from three of the patterned papers and one 1cm-wide strip from blue paper.
- 4 Die-cut 'Happy 35th' using Katie QuicKutz dies and black cardstock, and attach the letters to blue paper.
- 5 Assemble the card as shown.

Expert tip

The Karen Foster Design Micro Paper Bundle that we used for these cards is excellent value for money. It has 96 sheets in total, with six sheets of 12 different patterned designs and four solid colours, and goes a long way for just over £5!
