Lady Cameo

MATERIALS

- Purple cardstock
- Black foam
- A selection of purple patterned paper from Mara-Mi, BasicGrey, Crate Paper, American Crafts & Little Sizzles
- Kaiser Scrapbook self-adhesive pearls
- QuicKutz Cameo and Nesting Ovals dies
- Penny Black 'Thank you' rubberstamp (3678F)
- Violet ColorBox pigment inkpad
- Sticky tape
- Double-sided tape
- Glue dots
- 2mm foam pads
- Glue

TO CREATE

1 Cut a piece of purple cardstock measuring

15x30cm and fold it in three to create a tri-fold card blank.

2 Use the largest oval from the QuicKutz die set to cut out an aperture from the centre panel of your card blank.

3 Cut 3cm-wide strips of each of your patterned papers and fold them in half.

4 Using the template provided on page 63, stick the strips of patterned paper at the back of the aperture using a combination of sticky tape, double-sided tape, glue dots and glue, so that any bulk is kept under control.

5 Close your card with glue so that you are now left with a normal card blank.

6 Die-cut the Cameo image from black foam, and attach in the centre of the aperture.

7 Stick the pearls around the aperture.

8 Stamp 'Thank you' towards the bottom of the card.

It's your birthday!

TO CREATE

1 Cut a piece of purple cardstock measuring 42x13.5cm and fold it in three to create a square tri-fold card blank.

2 Use the second square from the QuicKutz die set to cut out three square apertures from the central panel of your card blank.

3 Cut 3cm-wide strips of each of your patterned papers and fold them over.

4 Using the template provided on page 63, stick the strips of patterned paper at the back of the aperture using a combination of sticky tape, double-sided tape, glue dots and glue, so that any bulk is kept under control.

5 Make one square with only purple patterned paper; one square with only pink patterned paper and one square with a combination of purple and pink patterned paper.

6 Close your tri-fold card with glue so that you are now left with a normal card blank.

7 Cut a square of purple cardstock measuring 4.9x4.9cm and stamp it with the Birthday Wave image.

8 Cut a 5.4x5.4cm square of purple patterned paper and stick the stamped piece of purple cardstock onto it.

9 Attach the stamped, matted square to your card blank.
