Lazy summer

by Lousette Ashton

MATERIALS:

- DL card blank and coordinating cardstock
- White card
- pccrafter.com 'With all my heart' clipart image
- DearJoe font
- SP You've Got Mail font

TO CREATE:

1 Open up the clipart border image using graphics software. Crop and size as required and print the image four times onto thin white card.

2 Cut out one of the images and glue it onto the front of the card blank.

3 Cut out portions of the other images, and layer over the original image using 3D pads to create a dimensional découpage picture.

4 Print a summer quote onto spare cardstock, cut it out to fit exactly under the image, and glue it in place using 3D pads.

5 Print a strip of green border using the original image, cut out and layer onto the bottom of the card, again using 3D pads.
